AUDIO VIDEO CONSULTANTS, INC

Home Electronics System

Custom Designed

for

Matthew and Megan Casey

MARSH LEA #9

Audio Video Consultants, Inc. is Philadelphia's leading custom electronics design and installation company. Since 1995, our reputation for quality, innovation and professionalism has been carefully built with thousands of successful installations.

This proposal represents a design carefully prepared with your requirements, our experience and industry standards all balanced to form a workable plan.

Please evaluate this proposal to determine if it meets your needs and budget. AVC's design flexibility allows us to easily modify this proposal to truly meet your expectations. This plan can be fully implemented at this time or in stages as your needs grow.

Investing in quality electronics and having them properly installed will provide you with many years of trouble free service and enjoyment. Please let me know how I can help make your ideas become reality.
